All photographs are available as archival pigment prints, framed or unframed, in 4 editioned sizes of 25 prints per size, printed and signed by Stuart Redler.

Each frame is handmade and finished in London from Ash and all wood is from renewable sources, examples can be seen [here \(http://www.stuartredler.com/insitu\)](http://www.stuartredler.com/insitu).

Framing options, at additional cost, include a variety of styles, materials and finishes including gesso, gilding, metal leaf, veneer, faux and spray. Glass options include UV, reflection control and acrylic.

Print sizes refer to the paper not image size. Frame dimensions are approximate and vary according to image shape, exact sizes can be calculated before ordering. Framed prints are matted using off white PH-neutral lignin-free mountboard.

Prices are in British Pounds, ex VAT prices have been rounded. Photographs shipped to an address outside the EU, or to an EU VAT registered business outside the UK, do not attract VAT.
