

Saarinen

Conference Chairs

'Compromise comes from
a fear of being pure.'

Eero Saarinen

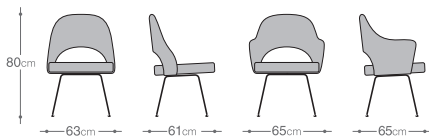

Eero Saarinen was one of the driving forces behind the American experimental furniture movement, and is responsible for designing some of the world's most recognisable furniture pieces.

The Conference Chairs are a development of his earlier work with fibreglass, creating flowing elegant forms that are beautiful to look at and amazingly comfortable to sit in.

Available in fabric or leather with or without arms.
